

Hello!

My name is Tori Thomas and I am deeply honored to have been selected to be a recipient of the Jack Snider/Band Alumni Association Scholarship. Band and music have been near constants in my life and I am proud to serve the musical organizations that I have had the pleasure of being a part of in any way that I can. Being recognized for such a prestigious award within the Cornhusker Marching Band is such an honor for me and I am thankful to have even been considered for this scholarship. As a new alumna of the Cornhusker Marching Band, I am excited to serve the band in a new capacity as I learn more from and about the Band Alumni Association. The history of this band and the overwhelmingly positive impact it has had on tens of thousands of people cannot be overstated and I can't wait to help out!

Thank you so much for your consideration!

Sincerely,

Tori Thomas
